

“Techsauce Global Summit” : Sexiest Global Tech Conference in Southeast Asia

Techsauce Global Summit is Southeast Asia’s first tech summit to pull together content, speakers and event quality of a global level. The event aims to connect delegates around the world to the landscape and the opportunities in Southeast Asia.

The conference aims to attract up to 6,000 attendees and the top startup founders, thought leaders, policy makers, investors and corporate innovators from across the world. The summit partners with a dozen of corporates across many industries to showcase and blend technology with the real-world businesses. The partners include Siam Cement PLC. (SCG), Ananda Development PLC., Digital Ventures, dtac, Visa, Bank of Ayudhya PLC, to name but a few.

Key Highlights include:

- First event in the region to dives deep into the best practices for keeping up with **global trends and Southeast Asia’s tech scene**
- **Asia’s hottest startup battle** where winners from 6+ countries around Asia come to the final pitching competition
- The event will let you experience **cutting-edge technologies** like biometrics, blockchain, machine learning, etc.
- Good for international companies who want to enter to SEA market
- Good for local companies who seek for an opportunity to scale out
- The event will be attended by all the **top enterprises from various industries** such as Banking, Telco, Retails, Manufacturing, Real estate, Food and Agriculture as well as Thailand’s SMB founders
- The top **investor dating** event where you get to meet up to 200 VCs and investors
- All-day-long schedule of **in-depth discussions** on the **Trending Vertical Stages** : Manufacturing, FinTech, UrbanTech, Startup Accelerate, Venture Capital.
- In one conference, the content is extensive for startups, SMBs, investors, tech enthusiasts and enterprises.
- For enterprises: a sharing of business models to achieve the best success for **digital transformation, corporate innovations** and the cases for working with startups
- A healthy roster of 200 world-class speakers
- “**Sexy and dangerous**” is the theme of the event where you will find **unique experience** you won’t get from a conference elsewhere
- Most Epic After Party

The summit will be happening on **July 28 - 29th (Friday - Saturday)** at the **5-star Centara Grand Convention Hall** in the heart of the Bangkok Downtown.
